

Home Learning May 11-15

Cold, wet and snow on the weekend, not the weather we want, but we can't change the weather. I hope all the moms and grandmothers had a wonderful, well deserved mother's day. I want to thank you for all you do for your child or children. As a mother, I know how busy and hard it can be, and at the same time a love you can't live without. Thank you for doing your best to help your children learn, and I appreciate all that you have done and are doing during this time.

Kindergarten

Letters and their sounds:

Go on a hunt in your house or outdoors. Try to find one thing that begins with every letter in the alphabet and say the sound.

You can also, try to find one thing that ends with every letter in the alphabet.

Starfall.com is an excellent site to learn/review letters and their sounds.

Rhyme- Please read a rhyming book. You say a word and have your child say the word that rhymes.

Writing:

Make a book. Staple 4-6 pages together. Write and illustrate your own story.

Sight words:

Using old newspapers or magazines cut out the letters needed to build 3 of your sight words and build them

Read daily Website to use:

www.raz-kids.com

<https://jr.brainpop.com/>

<https://classroommagazines.scholastic.com/support/learnathome.html>

<http://scholastic.ca/kids/thingstodo/>

Math-

Create a pattern with objects outside. Rocks, flowers, leaves. Once the pattern is done, extend the pattern, find the core

Count 0-10, 10-0, count on from a number and back form numbers. Practice forming and printing numbers. Continue to learn number combinations for number 1-5.

Pick two objects ex: pencil and brush, and you have to determine which is longer, shorter, taller and shorter. Remember the objects have to have the same base line, and you can see which is taller shorter, because it sticks up more. Continue to use other objects.

Dream Box

Grade Ones: Reading and writing:

Read a non-fiction book. Draw a picture or write one new thing you learned

Make a book. Staple 4-6 pages together. Write and illustrate your own story.

Math:

Continue to count in a variety of ways.

Learn what makes ten and double facts:

Pick two objects ex: pencil and brush, and you have to determine which is longer, shorter, taller and shorter.

Remember the objects have to have the same base line, and you can see which is taller shorter, because it sticks up more.

Continue to use other objects.

Dream Box

Grade Twos:

Connecting to the characters. After reading, write down how you relate to the characters. Are any of them like you? Or how are they different?

Write a different ending to the book that you are reading or a show that you are watching. Try a surprise ending. A surprise ending takes you where you didn't expect to go.

Tell someone what is your favourite bedtime story and why? What is your favourite part?
