**Your child has been using the math program called Dream Box. The classroom password code is 53766.**

**There is a website called Raz-kids. You child can read or listen to the book read to them. There is a free trail for parents. It asks children questions at the end of the book.**

**If you have books at home, please read or have someone read to you, and they can ask questions. You can go on you-tube and type in stories read aloud to children. Please contact me if you have any questions and concerns. [rita.whalen@nbed.nb.ca](mailto:rita.whalen@nbed.nb.ca) Thanks**
